 Walk-a-thon

October 18, 2008

Why we walk...

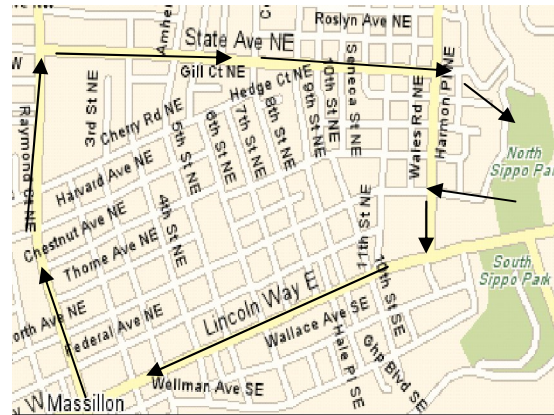

Walk for the Angels Walk-A-Thon is one of God's Tiny Angels Support Group's fundraising events. The purpose of this event is to celebrate Pregnancy and Infant Loss Remembrance Day, which is October 15th, and to honor the lives of those babies who have gone before us. We also intend to raise awareness of the struggle that parents and families face when experiencing the loss of a child. We are here to let them know that they are not alone and we have not forgotten!

All funds raised at the walk a thon will stay within the community to benefit the programs and services of God's Tiny Angels Support Group and to support agencies that provide prenatal education and care or provide grief support to bereaved families.

Where to go

The Walk-A-Thon will begin and end at Reservoir Park (North Sippo). We will walk through downtown Massillon on Lincoln Way traveling east and circle around on 1st Street NE to State Avenue back to the park. Approx 2.5 miles.
